

EXTERNSHIP OPPORTUNITIES

This list of externship opportunities represents government and public interest law offices where University of La Verne law students have externed from the summer of 2013 to the present. These locations are pre-approved. In order to secure an externship, you must apply through the individual organizations. Those not on this list may still be eligible for externship credit, but must be approved by the Interim Director of Externships. Please submit your application for the externship electronically to Akita Mungaray, amungaray@laverne.edu. Ms. Mungaray will contact the Supervising Attorney to discuss the proposed externship.

Please check the websites for each of the organizations to see if their application is online with instructions and the deadline for applying. Contact the organization's office if there is no application online and no listing on LEO. Several of the organizations interview at the Annual Southern California Public Interest/Public Sector Career Day at UCLA. You may inquire with the Career Development Office about the participating organizations.
