ACCREDITATION

At a meeting on February 20-22, 2020, the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association (the “Council”) considered a teach-out plan submitted by the University of La Verne College of Law (the “Law School”). After careful review of the Law School’s submission, the Council approved the teach-out plan filed on January 14, 2020.

The Council retains authority to terminate the teach-out plan and remove the J.D. program's accreditation earlier than August 2023 if the Law School’s state license to issue a J.D. degree is withdrawn or terminated; the Law School fails to uphold any of the obligations it agrees to undertake in the teach-out plan; or all students subject to the teach-out plan have graduated, transferred, been academically dismissed, or otherwise terminated their legal education.

In addition, the University of La Verne is accredited by the Senior College Commission of the [Western Association of Schools and Colleges](#) (WASC), a regional accrediting agency recognized by the U.S. Department of Education as certifying institutional eligibility for federal funding in a number of programs, including student access to federal financial aid. Through its work of peer review, based on standards agreed to by the membership, the Commission encourages continuous institutional improvement and assures the membership and its constituencies, including the public, that accredited institutions are fulfilling their missions in service to their students and the public good.

MANUAL OF ACADEMIC POLICIES AND PROCEDURES (MAPP)

[The Manual of Academic Policies and Procedures](#) (MAPP) is the official statement of the University of La Verne College of Law policies. The handbook serves as a secondary reference for questions that may arise from time to time during your law school career. Feel free to ask the administration, faculty, or staff if you have any questions. In case of any conflict between the MAPP and handbook provisions, the MAPP provisions are controlling.

College of Law Core Principles and Values

As an institution dedicated to teaching and training the next generation of lawyers and leaders, The College of Law operates institutionally and individually on the principles of professionalism, innovation, ethics, student centeredness, and community enhancement. In our actions and interactions, we are and seek to be affirming, respectful, humble, accountable, committed, inclusive, empathetic, responsive, passionate, and positive.

THE UNIVERSITY OF LA VERNE COLLEGE OF LAW: A BRIEF HISTORY

Members of the Church of the Brethren founded the Lordsburg College in 1891. The University of La Verne enjoys a 126-year reputation for providing a sound education built on lifelong learning, community service, diversity, and a values-based orientation. In 1977, the college became the University of La Verne, which has since grown to include 11 campuses and four colleges, including the College of Law.

The law school opened in 1970 as the La Verne College Law Center, offering a part-time evening program on the La Verne campus. It was renamed the University of La Verne College of Law seven years later when the University of La Verne completed the transition to university status. In 2001, La Verne Law moved into its permanent campus in Ontario.

Located just east of Los Angeles in inland Southern California, La Verne Law is situated in a growing metropolitan region of more than six million people. Graduates of La Verne Law are as diverse as the populations they will go on to serve. The La Verne Law students graduating today are the latest to join the ranks of more than 1,800 alumni, many of whom hold prominent positions as judges, law firm partners, public officials, and civic leaders. Graduates are encouraged to continue their relationship with the law school by mentoring students, participating in mock interviews, panels, and receptions, and assisting future graduates through a smooth transition into inland Southern California's legal community.

The University of La Verne College of Law was founded more than 40 years ago with the purpose of educating and training generations of attorneys committed to making a difference in their communities. Today, La Verne Law remains dedicated to teaching and training the next

generation of lawyers and leaders.

FACULTY ADVISORS

Full-time faculty hold regular office hours and part-time faculty make themselves available for office hours as well. Students are encouraged to meet with their faculty advisors often. After the

first year of study, faculty advisors may be of assistance in scheduling required courses and selecting electives. You may also meet with the Director of Student Affairs.

FACULTY SUPPORT

The law faculty is both collectively and individually committed to the success of each student admitted to the College of Law. Towards that end, most faculty members conduct sessions outside of the scheduled classroom times that are designed to facilitate the learning process. Sessions may include online problem solving or dialogue, small group study sessions, individual support meetings, and individual or group writing/exam analysis.

COURT OBSERVATION WEEK

Court Observation Week is a weeklong project that is a mandatory part of the College of Law's curriculum for first year law students. Completion of each day of Court Observation Week is a condition of graduation. In lieu of classes, first year and transfer students attend court observation at the San Bernardino Superior Court in San Bernardino.

Court Observation Week has several learning objectives. One of those objectives is to prepare you for a meaningful learning experience during the Litigation Track. The courses that comprise the Litigation Track (Criminal Procedure, Evidence & Trial Advocacy) will provide a contextual framework when students observe a trial from beginning to end. Second, many students participate in Moot Court, Trial Team and/or Advanced Appellate Advocacy courses. Observing a real trial helps students identify and build good lawyering skills. Finally, by watching trial proceedings, students develop a baseline understanding of civil procedure and trial practice skills that are useful after graduation, successful completion of the bar exam, and throughout the practice of law.

EXTERNSHIP PROGRAM

The Externship Program gives upper-division students opportunities with government agencies, public interest organizations, non-profits, and judges to study the legal process through community-based extern positions and to apply the knowledge and skills developed in law school in a practical setting. Externships allow students to perform practice-related activities such as

interviewing clients or witnesses, factual investigation, discovery, counseling and negotiating, making court appearances, and legal research and writing.

Students are encouraged to contact public interest organizations to secure a position. If a student would like an externship opportunity but does not have local contacts or ideas about how to proceed, the Director of Career Development & Externships can assist.

One credit of externship is equal to 52 hours of work at the placement. In addition to the 52 hours of work, externship students are expected to: 1) complete several on-campus classrooms sessions where they learn to reflect on their law practice experiences; 2) complete weekly reflective memos where they journal their experiences in an ongoing communication with the Director of Clinical Programs & Professor of Law at La Verne Law; 3) complete a goals memo detailing what they hope to achieve with their placement; 4) conduct a mid-semester review of their performance; 5) write a self-evaluation upon the completion of their work; and finally, 6) assure that the supervising attorney at their placement completes a comprehensive evaluation of their work performance and certification of their hours worked.

Please contact the Interim Director of Career Development, Akita Mungaray, amungaray@laverne.edu should you have questions.

CLINICAL PROGRAMS

Disability Rights Legal Center Clinic (DRLC)

Los Angeles-based Disability Rights Legal Center (DRLC) opened an Inland Empire clinic on the campus of the College of Law in Spring 2007. COL students participating in DRLC's clinic address some of the extreme problems for people with disabilities in the Inland Empire by providing services in the following projects: the Education Advocacy Project (EAP), the Civil Rights Litigation Project, and the Community Advocacy Program (CAP). These services are provided free of charge for low-income families.

The DRLC is available for 3 - 6 units; 52 hours must be completed for each unit. Students are required to attend regular weekly meetings with DRLC staff and occasional joint classes with the

Justice and Immigration Clinic. Students set their own weekly work schedule, which must be completed between regular business hours (8:00 a.m. to 6:30 p.m.). To learn more about the Disability Rights Legal Center Clinic, you may contact Elizabeth Eubanks at <mailto:eeubanks@laverne.edu>.

Justice and Immigration Clinic

Our Justice and Immigration Clinic provides *pro bono* assistance to immigrants seeking asylum in the United States. Students participate in client interviews, find and retain experts, draft and file briefs, draft direct examinations, prepare witnesses, and represent their clients before the Immigration Court in Los Angeles.

For more information about the Justice and Immigration Clinic, please contact Professor Krystal Rodriguez-Campos at krodriguez-campos@laverne.edu.

San Bernardino Misdemeanor Appellate Advocacy Clinic

The San Bernardino Misdemeanor Appellate Clinic provides students with an intensive appellate experience in the San Bernardino Superior Court. The Appellate Advocacy Clinic litigates appellate misdemeanor cases primarily before local Superior Court Appellate Panels. The clinic also considers drafting amicus briefs. The clinic selects cases that offer the highest pedagogical value for its students.

The Appellate Clinic accepts between 8 and 12 students each semester. Students register for 1 – 4 units a semester. Students work closely with professors and paralegals in a law office setting. The work varies depending on the types of cases accepted. Cases include Driving Under the Influence, Assault, Theft and Domestic Violence. Students have the primary responsibility for reading and analyzing the case record, developing substantive legal positions, researching substantive issues, developing appellate strategies, drafting briefs, and presenting oral arguments.

The Appellate Clinic includes a classroom component that meets 2 hours a week. Subjects for the weekly classes include law office management, reviewing an appellate record, organizing and drafting an appellate brief, and developing and presenting an appellate oral argument.

For more information about the San Bernardino Misdemeanor Appellate Advocacy Clinic, please contact Professor Michele Assael-Shafia at massael-shafia@laverne.edu.

ACADEMIC ORGANIZATIONS AND TEAMS

University of La Verne Law Review

The *University of La Verne Law Review* is the sole scholarly publication of the University of La Verne, College of Law. It is student-run and student-edited. Membership on the *University of La Verne Law Review* is the result of a selective process, based on both grades and successful completion of a write-on competition. Go to <http://law.laverne.edu/law-review/law-review-home/> for more information about the Law Review. For more information, please contact Professor Ezra Goldschlager, egoldschlager@laverne.edu.

Journal of Law, Business & Ethics

The *Journal of Law, Business & Ethics*, is the official publication of the Pacific Southwest Academy of Legal Studies in Business, Inc. It is a double-blind, peer-reviewed interdisciplinary publication issued and distributed in February of each year. The journal is uniquely governed and operated by dual structured editorial board consisting of faculty and students. The faculty board of editors are invited and selected from faculty candidates from around the world, and once selected each are required to serve for a five-year evolving term culminating in them serving as the Journal's faculty Editor-In-Chief. Membership on the student editorial board is the result of a selective process board based on background, experience, academic performance and a write-on competition. For more information, please contact Professor Paul Naccachian, pnaccachian@laverne.edu.

Board of Advocates

One component of La Verne Law's practice-ready commitment to its graduates is the Board of Advocates, the umbrella organization for the COL's advocacy competition teams. The Board of Advocates consists of the Mock Trial Competition Teams, the Moot Court Competition Teams, and the ADR Competition Teams. In each of these divisions, students can showcase their

exceptional advocacy skills by competing against other nationally ranked law schools. Competition teams also provide students with advanced advocacy skills, mentorship, and networking possibilities that can lead to strong ties to the legal community. Students are selected for all three divisions at the conclusion of tryouts, which are typically held in the spring with a secondary and more limited tryout opportunity in the fall. Students must maintain a GPA of 2.3 or higher to be eligible. For more information, please contact Associate Dean, Placido Gomez at pgomez@laverne.edu.

Moot Court Competition Teams

The Moot Court Competition Teams consist of students who have demonstrated their excellence in written and oral advocacy and are looking to improve further by representing the school at outside competitions. The teams are primarily coached by Professor Dean McVay, a highly experienced litigator and moot court advisor who has led COL teams to many victories. As members of a moot court team, students have the opportunity to work closely with other experienced attorneys as well and to hone their brief writing and oral advocacy skills. La Verne Law students participate, and excel, in several moot court competitions each year. In recent years, students have competed in the National Criminal Procedure Tournament, the National Entertainment Law Moot Court Competition, the Thomas Tang National Moot Court Competition, the Frederick Douglass Moot Court Competition, the Williams Institute Moot Court Competition, and the Uvaldo Herrera National Moot Court Competition. For more information, please contact Associate Dean, Placido Gomez at pgomez@laverne.edu.

Mock Trial Competition Teams

The Mock Trial Competition Teams consist of a select group of students who participate in a for-credit program that prepares them to be successful trial attorneys. The teams are coached by experienced trial attorneys. In addition, many members of the College of Law legal community including sitting judges, defense attorneys, and prosecutors work with the student competitors. Team members learn evidence, trial planning, effective examinations, and persuasive oral argument skills while preparing a case file for trial. Each team of students prepares motions in limine, opening statements, direct and cross examinations, and closing arguments for either a civil or criminal case that are displayed over a weekend of head-to-head competitions. In recent years,

students have competed in the San Diego Defense Lawyers' Mock Trial Competition, the CACJ's National Criminal Trial Advocacy Competition, and the Texas Young Lawyers' National Trial Competition. For more information, please contact Associate Dean, Placido Gomez at pgomez@laverne.edu.

Alternative Dispute Resolution (ADR) Competition Teams

The ADR Competition teams consist of COL students chosen for their ability to resolve a dispute outside the courtroom, via mediation and/or negotiation. The teams are coached by skilled mediators and negotiators. The teams participate in competitions designed to develop their skills in the growing field of dispute resolution. In recent years, students have competed in the ABA Negotiations Competition and ABA Representation in Mediation Competition. For more information, please contact Associate Dean, Placido Gomez at pgomez@laverne.edu.

STUDENT COMMUNICATIONS

Email is the primary mode of official University communication with students. Students are given an @laverne.edu email account upon enrolling at the COL. All students must **check this email account regularly** as it is used for all official email communication.

STUDENT ATTENDANCE

Regular class attendance is required and there are no excused absences. Regardless of reason, missing more than 20% of a class results in the automatic exclusion of the student from the class, and in some circumstances, a failing grade. Although attendance records are maintained by the Registrar's Office, students are encouraged to track their own absences. Professors have the discretion to mark students who are unprepared absent from the class; additionally, failure to be punctual to a class may constitute an absence.

STUDENT LOCKERS

Each law student is entitled to the use of one individual on-campus locker at no charge. Lockers are assigned randomly and may be requested by contacting Melinda Davenport, Assistant Director of Administrative Services at mdavenport@laverne.edu.

PRO BONO AND PUBLIC SERVICE

La Verne Law encourages students to engage in pro bono and public service activities throughout their law school career since service is an integral part of being an attorney. Students who volunteer the required number of hours are recognized at the graduate brunch for their commitment. The Director of Student Services oversees the public service component. Pro Bono hours must meet the following criteria:

- The work must be “For the Public Good”
- The hours must be supervised by an attorney or other official
- You must not have received credit or any form of pay for the hours
- The work must have served clients with modest means

COMMENCEMENT

A graduating class consists of the students who earn their degrees in December and May of the same academic year. The academic year begins with the Fall term and ends with the Spring term. Students who graduate in July at the end of the Summer Session are included with the following class year, even though they may have been allowed to participate in the current year Commencement. The Commencement Ceremony is held each May. All graduates are encouraged to take part in this meaningful ceremony.

Candidates must complete a Graduation Application and submit it to the College of Law Registrar’s Office. Students must be in good academic standing and have satisfied all financial obligations to the University of La Verne to be eligible to graduate and take part in Commencement.

Completing the Graduation Application and paying the Graduation Fee allows the Registrar’s Office to request the Juris Doctor diploma and ensures that the student will receive mailings and email updates about graduation. Students planning to graduate must submit the completed Graduation Application form and graduation fee regardless of whether they plan to take part in the ceremony. Completing the form and paying the fee does not include regalia rental, which is a separate process. Graduates do not receive their diplomas on the day of Commencement. The Registrar mails (or holds for pick up) diplomas to graduates after certifying that all degree

requirements have been completed and all tuition and fees have been paid. Graduates often do not receive their diploma until several months after their graduation date.

GRADUATION STOLES AND CORDS POLICY

Any student who earns academic honors (*cum laude*, *magna cum laude*, or *summa cum laude*), is recognized for achievement through selection to the Law Review or a College of Law sponsored traveling competition team, or earns recognition for working the required pro bono and public service hours, may wear at Commencement the cords that recognize these achievements.

In addition, a student who was an active member of a recognized College of Law student organization/club (including, but not limited to legal fraternities), and who is certified by the current President of that student club or organization to have been an active member of that organization during the year prior to Commencement, may wear at Commencement a cord or other suitable graduation paraphernalia representing that organization.

A student who earns recognition from a College of Law organization for a specific achievement or holding an elected office may wear one College of Law approved stole in recognition of this achievement. Graduates are allowed to wear multiple College of Law approved cords at Commencement. Graduates may wear only one stole at Commencement.

SECURITY AND LOST AND FOUND

Students with a security concern, including lost or stolen articles, should contact the security guard located on the first floor by dialing “2099” from a campus phone or (909) 460-2099 from an outside phone. As a courtesy, the College of Law security guard on duty may, upon request from a student, accompany the student to his/her vehicle parked in the parking lot. The Security Guard Desk, located on the first-floor lobby of the COL building, is the central location for La Verne Law’s lost and found service. Hours of operation coincide with facility hours.

LOST AND FOUND POLICY AND PROCEDURES:

1. All lost items found throughout the College of Law building should be brought to the Security Guard Desk as soon as possible.

2. When turned in, all items regardless of value (e.g., wallets, purses, keys, backpacks, electronic devices, notebooks, articles of clothing, books, umbrellas, etc.) will be immediately logged into the Lost and Found logbook by the Security Guard on duty.
3. The items will be stored in a locked cabinet. If the lost and found item includes any identifying information, the Security Guard will try to contact the owner directly.
4. After a week, unclaimed student ID's will be sent to the Registrar's office located on the second floor (Room 210) for disposition. Other unclaimed ID's such as driver's licenses or state ID's will be returned to the issuing agency.
5. To ensure that lost items are returned to the rightful owners, persons claiming items will be asked to describe the items and to provide identification. Claimants must sign for items and include their student ID/photo identification information before the items will be released to them.
6. Items in the Lost and Found cabinet that are not claimed by the end of the calendar year will be donated to a local charity or disposed of at the sole discretion of the COL.

STUDENT CLUBS & ORGANIZATIONS

The study of law is challenging, rigorous, and time consuming. While the faculty and administration of the COL believe that a student should spend most of his/her time studying and learning the law, the administration also supports student organizations that provide opportunities that support the COL mission and foster effective leadership skills. The COL believes that organized student activities are an integral part of the educational program of the law school and these activities provide opportunities for personal and professional growth. Please refer to the University of Law Verne College of Law Student Club and Organization Guidebook for additional information.
