Career Development & Externships Office

The Career Development & Externships Office offers comprehensive career and professional development services and resources to assist current students and alumni in achieving their career goals. Services include career counseling sessions and informational and skill development presentations on a number of topics--- including career planning, resume and cover letter preparation, networking, negotiating offers, and interviewing. Employment opportunities with law firms, government agencies, corporate legal departments, public interest organizations, judicial externships and clerkships, fellowships, and alternative career options are advertised to students and alumni through an online job listing service, Handshake.

Opportunities are also provided for on campus interviews in the spring and fall. Numerous networking opportunities are provided for students and alumni at receptions, panel discussions, and workshops hosted on campus and in the local community throughout the year featuring prominent legal professionals. The Externship Program gives upper-division students opportunities with government agencies, public interest organizations, non-profits, and judges to study the legal process through community-based extern positions and to apply the knowledge and skills developed in law school in a practical setting. Externships allow students to perform practice-related activities such as interviewing clients or witnesses, factual investigation, discovery, counseling and negotiating, making court appearances, and legal research and writing.

Students are encouraged to contact public interest organizations to secure a position. If a student would like an externship opportunity but does not have local contacts or ideas about how to proceed, the Office of Career Development & Externships can assist.

One credit of externship is equal to 45 hours of work at the placement. In addition to the 45 hours of work, externship students are expected to: 1) complete several on-campus classrooms sessions where they learn to reflect on their law practice experiences; 2) complete weekly reflective memos where they journal their experiences in an ongoing communication with the Director of Externships; 3) complete a goals memo detailing what they hope to achieve with their placement; 4) conduct a mid-semester review of their performance; write a self-evaluation upon the completion of their work; and finally, 6) assure that the supervising attorney at their placement completes a comprehensive evaluation of their work performance and certification of their hours worked.

The University of La Verne and Public Service's active memberships with local bar associations provide students and alumni with additional networking opportunities and career resources necessary for success in the legal profession.

COMMENCEMENT

A graduating class consists of the students who earn their degrees in December and May of the same academic year. The academic year begins with the Fall term and ends with the Spring term. Students who graduate in July at the end of the Summer Session are included with the following class year, even though they may have been allowed to participate in the current year Commencement. The Commencement Ceremony is held each May. All graduates are encouraged to take part in this meaningful ceremony.

The California Committee of Bar Examiners for the State Bar of California has accredited the University of La Verne College of Law and Public Service as a 3-year full-time JD program and as a

4 year part-time JD program. Students enrolled in the full-time 3-year JD program are not allowed to graduate early, or within less than 3 academic years.

Candidates must complete a Graduation Application and submit it to the CLPS Registrar's Office. Students must be in good academic standing and have satisfied all financial obligations to the University of La Verne to be eligible to graduate and take part in Commencement.

Completing the Graduation Application and paying the Graduation Fee allows the Registrar's Office to request the Juris Doctor diploma and ensures that the student will receive mailings and email updates about graduation. Students planning to graduate must submit the completed Graduation Application form and graduation fee regardless of whether they plan to take part in the ceremony. Completing the form and paying the fee does not include regalia rental, which is a separate process. Graduates do not receive their diplomas on the day of Commencement. The Registrar mails (or holds for pick up) diplomas to graduates after certifying that all degree requirements have been completed and all tuition and fees have been paid. Graduates often do not receive their diplomas until several months after their graduation date.
